The **Children’s Discovery Museum Foundation** exists to support the mission and vision of the Museum, to raise funds to help underwrite the expenses of Museum exhibits and programs, and to advocate on behalf of the museum to the community at large.

Through the Foundation’s **Inspired Giving** fund, you can support the development of new exhibits, additional programming or special events to ensure the museum’s successful future.

The **Expand Our Reach Scholarship** fund eliminates the financial barrier some families may have by covering field trip admissions, program fees and providing hands-on learning experiences throughout our community.

The **Exhibit Replacement** fund is used to underwrite the cost of next generation exhibits and to repair and upgrade well-loved and well-used exhibits.

The Children’s Discovery Museum’s Foundation is a 501(c) (3) organization and your support may be tax deductible. For more contact our Development coordinator at (309) 433-3402 or visit www.ChildrensDiscoveryMuseum.net
