

Early Explorers

Designed for 4 & 5 year olds

Early Explorer's is designed to create independence and is our youngest drop-off program. Each 90-minute program is designed around a monthly theme with free exploration center time where children can play and interact with their peers, circle time with music and literacy and structured hands-on STEAM (science, technology, engineering, arts, and math) activities.

Insects

Join us as we read Diary of a Worm by Doreen Cronin, get an up close look at some live worms, design a bug catcher and more!

Saturday, June 17

Activity # 906202-01

Sand Art

We will be reading The Sand Castle Contest by Robert Munsch and creating sand art bottles and sand paintings!

Saturday, July 15

Activity # 907202-01

Sensory Art

Let's create art inspired by our senses! You will make a texture collage and paint with Kool-Aid to explore your sense of smell!
