

Playful Learners

Designed for 12 months - 4 years

Playful Learners is designed specifically for you and your child to learn and play together. Through play, children are learning a variety of skills vital to their future success including problem-solving, communication, and social-emotional. Each one-hour class begins with group time where children and adult partners play and interact together. Through center based learning, fine and gross motor skills are developed through play, physical movement, music and art activities.
